

Thank you for purchasing the RAC-14 tabletop equipment rack.

The complete assembly contains the following parts:

- ✓ rack
- ✓ snap-in handles (2)
- ✓ press-in rubber feet (4)
- ✓ S-style clip-on nuts for equipment mounting (14 total)

NOTES:

1. Press the rubber feet into place and snap in the handles.
2. Assemble the instruments into the rack and place it into position before attaching electronic cabling.
